ABSTRACTS SUBJECT INDEX

Alternating current, sinusoidal and square-wave stimulation compared, 72, 73
—— —— stimulation, square-wave, relation between threshold voltage and frequency, 72
Amputation stumps, phantom pain in, ultrasound therapy to relieve, 111
Ankara, effect of meteorological factors on rheumatic arthralgia in, 229
Argentina, report of British National Rehabilitation Service to, 74
Arteritis, obliterating, skin thermometry in, 112
Arthralgia, rheumatic, effect of meteorological factors on, in Ankara, 229
Arthritis, chronic absorptive (opera-glass hand), 112
——, hypertrophic, in elderly patients, ultrasonic therapy, 232
——, influence of physical therapy on intra-articular temperature in, 32
——, microwave diathermy for relief of pain in, 113
——, rheumatoid, effect of contrast baths on vasomotor response in, 187
——, ——, hand deformity after, occupational therapy for, 230
——, ——, hypophysial implantation in, 112
——, ——, treatment, 112
——, ——, —— with phenylbutazone, 229
——, ——, ultra-short and microwave irradiation of hypothalamic region in, 189
Asthma, bronchial, in children, breathing exercises for, 147
Atmosphere, effect on rheumatic arthralgia in Ankara, 229
Autonomic nervous system, action of ultrasonic therapy on, 188

Backache, chronic, diagnosis and treatment, 230
Bankart operation for recurrent shoulder dislocations, exercises after, 230
Baths, contrast, effect on vasomotor response in rheumatoid arthritis, 187
Bone repair, effects of short-wave diathermy on, 113
Brain, diathermy of, in normal adults, 189
Breathing exercises for children with bronchial asthma, 147
British National Rehabilitation Service, report to Argentina, 74
Bronchial asthma in children, breathing exercises for, 147
Bursitis, sub-acromial, results of treatment, 29
"Butazolidin", treatment of rheumatoid arthritis with, 229

Calcification and ossification, para-articular, following acute anterior poliomyelitis, 270
Carcinoma, experimental production by ultraviolet light, 34
Cataract, infra-red rays causing, 33
Cobra venom for intractable pain, 310
Conduction velocity of peripheral nerve fibres, 146
Contracture, Dupuytren's, treatment, 110
Contrast baths, effect on vasomotor response in rheumatoid arthritis, 187
Current pulses and rectangular voltage, production of, 232

Denmark, vocational guidance in, 111
Dermatitis solaris acuta, 34
Diathermy, cerebral, effects in normal adults, 189
——, microwave, clinical experiences with, 32
——, ——, for relief of pain in arthritis and sciatica, 113
——, short-wave, effects on bone repair, 113
——, ——, treatment of chronic female pelvic sepsis by, 32
Disabled, need for adequate care in complete rehabilitation of, 270
——, rehabilitation of, in Britain, 74
——, —— centres for, in U.S.A., 311
——, treatment of, in U.S.S.R., 74
Disarticulation of wrist, fitting prosthesis for, 271
Dislocation of shoulder, Bankart operation for, exercises after, 230
Dupuytren's contracture, treatment, 110

Effusion into knee-joint, views on treatment, 148
Electrical tests of nerve and muscle, 233
Electricity, atmospheric, of Ankara, effect on rheumatic arthralgia, 229
Electromyogram, identification of certain reflexes in, 146

Abstracts Subject Index

Electromyography in study of posterior root lesions, 73
——, study of trapezius muscle by, 187
Electrotherapy by microwaves, 113
Erythema reaction caused by ultraviolet light in human skin, localization of, 187
Exercises following Bankart operation for recurrent shoulder dislocations, 230
——, progressive resistance, intermittent treatment of poliomyelitis with, 29
——, therapeutic, water as medium for, 148
Exudate, knee-joint, views on treatment, 148

Feet, hyperhidrosis of, treatment with constant current, 232

Galvanism, constant-current, hyperhidrosis of hands and feet treated by, 232
Glass-workers' cataract, 33

Hand deformity after rheumatoid arthritis, occupational therapy for, 230

Hospital, general and surgical, occupational therapy in, 74
Hydrotherapy, modern trends in, 187
Hyperhidrosis of hands and feet, treatment with constant current, 232
Hypophyseal implantation in rheumatoid arthritis, 112
Hypothalamus, region of, ultra-short and microwave irradiation in rheumatoid arthritis, 189

Infradosimeter to measure dosage of infra-red rays, 111
Infra-red radiation, cataract from, 33
—— ——, instrument to measure dosage, 111
—— ——, pain threshold for, 272
Iontophoresis, penicillin, in treatment of ulcus serpens, 35
Irradiation, ultra-short and microwave, of hypothalamic region in rheumatoid arthritis, 189

Joint pain, rheumatic, effect of meteorological conditions in Ankara on, 229
Joints, smaller, osteoarthritis in, physical treatment of, 188

Knee-joint exudate, views on treatment, 148

Lymph flow from foreleg of dog, effect of massage on, 233

Massage, effect on flow of lymph from foreleg of dog, 233
——, —— —— muscle temperature and radiosodium clearance, 233
Medicine, physical, *see* Physical medicine
Microwave and infra-red radiation, pain threshold for, 272

——, normal and atrophic, synchronous activity in, 114
—— temperature and radiosodium clearance, effect of massage on, 233
—— tightness, an objective method of evaluating, 312

Nerve, electrical tests of, 233
—— fibres, peripheral, conduction velocity of, 146
—— root compression, method of measuring reflex times in conditions due to, 147
—— ——, posterior, section to relieve sciatic pain, 73
Nerves, peripheral, injuries of, experiences with, 31
Nervous system, autonomic, action of ultrasonic therapy on, 188
Neurological conditions, contraindications to physical medicine in, 30
Neuromuscular diseases, muscle-action potentials in differential diagnosis, 148, 311
—— re-education for paralysis, new concepts and techniques, 30
Nucleus pulposus, sciatic pain caused by, posterior root section to relieve, 73

Occupational therapy for hand deformity following rheumatoid arthritis, 230
—— —— in a general and surgical hospital, 74

Abstracts Subject Index

Opera-glass hand, 112
Orthograms of posture, 227
Ossification and calcification, para-articular, following acute anterior poliomyelitis, 270
Osteoarthritis in smaller joints, physical treatment of, 188

Pain in arthritis and sciatica, microwave diathermy to relieve, 113
——, intractable, cobra venom treatment, 310
——, phantom, in amputation stumps, ultrasound therapy to relieve, 111
——, rheumatic, in joints, effect of meteorological conditions in Ankara on, 229
——, sciatic, posterior root section to relieve, electromyographic study, 73
—— threshold for microwave and infra-red radiation, 272
Para-articular calcification and ossification following acute anterior poliomyelitis, 270
Paralysis, neuromuscular re-education for, new concepts and techniques, 30
Pelvic sepsis in women, short-wave diathermy treatment, 32
Penicillin iontophoresis in treatment of ulcus serpens, 35
Phantom pain in amputation stumps, ultrasound therapy to relieve, 111
Phenylbutazone, treatment of rheumatoid arthritis with, 229
Physical medicine in neurological conditions, contraindications, 30
—— —— in the doctor's surgery, 311
—— ——, need for teaching in Polish Medical Schools, 111
—— therapy, influence on intra-articular temperature of normal and arthritic subjects, 32
